### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The present invention comprises a substantially dry wipe material with a combination of lathering surfactants and an exclusion of other materials. The prior art of record does not teach or suggest applicant's claimed composition. Many reference require components that are excluded or do not comprise the metes or bounds of the claimed invention.

Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
